

Fraud Text Alerts Disclosure

In order to help mitigate fraud on your account, LGE will contact you via text at the mobile number we have on file to deliver messages related to suspected fraudulent activity.

For our members' safety and convenience, we have automatically enrolled all cardholders into our Fraud Text Alert System. **This is an optional service provided at no cost to the cardholder and will not contain any telemarketing, cross-marketing, solicitation, advertising, or debt collection messages of any kind.**

Messaging frequency depends on account activity. Alerts sent via SMS may not be delivered to you if your device is not in the range of a transmission site, or if sufficient network capacity is not available at a particular time. Even within coverage, factors beyond the control of wireless carriers may interfere with message delivery for which the carrier is not responsible. Carriers do not guarantee that alerts will be delivered. To opt out text STOP to 23618. If you have any additional questions, call 770-424-0060.
